Frabill’s 2018-2019 lineup of shelters and hubs comes loaded with advanced new features that make it easier than ever to transport, set up and reposition during your ice fishing expeditions. Available in various entry, seating and insulation options, there is a fit for every angler.
STREAMLINED CONSTRUCTION

Frabill’s alloy frames are 30% stronger and 30% lighter than traditional frames, resulting in easier transport, setup and storage.

Enhanced Design Elements

- Lightweight and durable materials
- Improved storage and organization
- Optimized fishable space
- Patented Modular Seating System
- Strategically-placed windows and openings
- Contemporary styling

SIDESTEP™ ENTRY

Get improved access and more vertical space while avoiding serious safety hazards and equipment damage. Frabill’s patented SideStep™ entry continues to redefine the ice shelter experience.

- Simplifies in-and-out access
- Removes need to step over gear and fishing holes
- Vertical front wall provides more room for hook sets
- Reduces risk of heater damage to front wall

- **Jump Seats**
- **Padded Trunks**

## Ice Shelter Insulation Types

- **Quilted**
- **Welded**
- **Standard**
Frabill’s premier ice shelter series combines durability and mobility with complete fishing comfort. With two SideStep entry doors, modular boat seats and full quilted insulation, Predator shelters accommodate two anglers with generous headroom for drilling holes and setting hooks. A heavy-duty aluminum frame and rugged roto-molded base provide superior wind and weather protection.
Equipped with Frabill’s two-door, SideStep entry, the Citadel Series provides easy in-and-out access with generous fishable space for two to three anglers. Built on a sturdy thermo-formed base and supported with Frabill’s new lightweight alloy frame, these well-appointed features come without excess weight.

Legendary angler Brian “Bro” Brosdahl has teamed up with Frabill once again to bring you another well-appointed shelter. This latest edition is equipped with 20 square feet of fully insulated jigging space and our signature SideStep entry for easy in-and-out access. As with other Bro shelters, this model is dressed in Frabill’s distinct arctic camo exterior – making it as recognizable as the man who inspired it.
The Frabill Aegis flip-over shelters feature a large front door and are designed for simple setup to get you fishing without delay. Inside, Aegis shelters are equipped with either jump or boat seats and offer two levels of insulation, making it one of the most versatile ice shelters on the lake.
Ultra-mobile, this classic Sentinel, Recruit and Recon shelter series provides solo anglers with the perfect balance of portability and precision. Setup is simple, and the distance between the seat and door provides ample space for jigging as well as housing all your electronics and gear.

Thank you geometry. Frabill’s wide-base design featured in the Bro Series hub provides 30% more fishable space compared to traditional cube-shaped hubs with the same roof dimensions. This means you and your fishing buddies will have more room to drop your lines, set your hooks and haul in your catch.
Frabill’s latest space-saving design allows you to conveniently store your gear in generous corner compartments to provide you with 55% more fishable space. Kick-Out Hub Technology utilizes hub extensions on each side of the shelter to keep your gear organized and out of the way. These hubs also offer the added benefit of simplified setup and takedown.

**FORTRESS KICK-OUT HUB**

4 KICK-OUT POINTS PROVIDE ADDITIONAL SPACE

55% KICK-OUT CORNERS PROVIDE MORE FISHABLE SPACE
It may just be the most highly-engineered ice hub ever created. Featuring Frabill’s patented Kick-Out Hub Technology, the Fortress extends fishable space by giving anglers places to store their gear away from the fishing holes. This creates a cleaner, more comfortable environment so you can catch more fish. The broader base also provides improved stability for high-wind conditions.

BRO SERIES HUB

44.5 fishable square feet
The Frabill Bro Series signature hub is larger than life. Developed with professional ice angler Brian “Bro” Brosdahl, this durable design offers everything you ever wanted in a portable hub shelter. Built to house two to three Bro-sized anglers, it features upgraded poles for improved strength, an insulated roof and walls and a 900 denier skirt to withstand even the harshest winter weather.

- Universal design attaches to most shelter bases
- Extends the life of shelter bases by taking abuse from snow, ice and concrete
- Strips can be easily trimmed to fit to your shelter
- Kit includes 4 strips and mounting hardware

### BOAT SEAT ON TRUNK

- Boat seat for comfort while fishing
- Plastic trunk with latches for gear storage

**Size:** 27.5”L x 13.5”W x 11.5”H

### PADDDED TRUNK

- Padded seat for comfort while fishing
- Plastic trunk with latches for gear storage

**Size:** 27.5”L x 13.5”W x 11.5”H
**SHELTER LIGHT**
- 70 lumens of light
- Hook-and-loop fastener attaches to any type of shelter frame
- Beveled back for snug fit to shelter frame
- Fully directional light
- Runs on 3 AA batteries
- Doesn’t need to be removed from shelter during takedown
- Impact-resistant housing

**SHELTER LIGHT BAR**
- 18 lumens of light per pod
- Total of 72 lumens for all four pods
- Hook-and-loop fastener attaches to any type of shelter frame
- Beveled back for snug fit to shelter frame
- Each light pod is fully directional
- Runs on 6 AA batteries
- Doesn’t need to be removed from shelter during takedown
- Impact-resistant housing

**ICE SCOOPER**
- 30” engraved ruler on handle
- Large scoop for more effective ice removal
- Long handle prevents stress on your back

**ICE CREEPERS**
- Rubber pull-on creepers
- 10 carbide spikes per creeper
- 6576 (size large) fits up to size 10 men’s boots
- 6577 (size extra-large) fits size 10+ men’s boots

**ACCESSORY HANGER**
- Universal design
- Sturdy chrome hook easily hangs on shelter frame poles
- Ideal for hanging a variety of accessories
- 2 per package

**ICE PICKS**
- Retractable guard on picks
- 72” stretchable cord

Success starts with having the right tools. Frabill’s rod and reel combos are constructed from the highest quality graphite and composite blanks and combined with an ultra-responsive straight line or spinning reel. Each combo provides a unique feel to fit an angler’s personal style. Whether you’re dead sticking or finesse jigging, you’ll find the action you need to achieve exceptional results.
NEW

ARCTIC FIRE COMBOS
Exceptional performance at an unbelievable price-point is the hallmark of this new spinning rod and reel combo. Loaded with high-end features such as durable fiberglass composite blanks, rubberized cork handles and an infinite anti-reverse reel, the Arctic Fire combo gives all anglers the opportunity to heat up their pursuit.

Designed with legendary ice angler Brian “Bro” Brosdahl, the Frabill Bro Series of rod and reel combos provide ultimate control and feel no matter what species you’re pursuing. With 20 different options, you have a full range of rod lengths and actions for pulling in everything from light-biting panfish to record-setting walleye and pike. Pair these with either Frabill’s ultra-smooth spinning reel or highly responsive 371 straight-line reel, and the lake is yours to conquer.

**ROD FEATURES**
- Technique/species specific actions
- Titanium main guides (except noodle action)
- Solid graphite blanks (except QT, N, DS actions)
- Solid cork with graphite reel seat
- Titanium spring bobber on MCL and UL actions
- Sensitive blank-through handle construction
- Deluxe hook keeper
- Bro Band keeps bail open with lure at desired depth (available on select combos)

---

**690701 BRO SERIES STRAIGHT LINE 371 REEL**
- Spool guarded to allow palm grip
- Lightweight composite construction for strength and durability that won’t feel cold in frigid temperatures
- 3:7:1 reel ratio with super-smooth drag and instant anti-reverse
- 22” line retrieval per revolution
- Line feeds off spool to eliminate line coiling and tackle spin
- 5 + 1 ball-bearing reel with ultra-fine free spooling
- Long and short stems accommodate heavy gloves or palming the reel
- Free spool to easily drop smallest jigs

**690601 BRO SERIES SPINNING REEL**
- 5 + 1 ball-bearimg reel
- Includes shallow and deep arbor spool
- Deluxe quick-fold handle
- Machined aluminum spool
- Infinite anti-reverse
Developed in partnership with our pro-staff anglers, Frabill’s complete line of rod and reel combos are specifically designed to target individual species. Each technique-focused combo has been created, tested and proven by the best in the sport.

STRAIGHT LINE REELS

669701  STRAIGHT LINE 101XLA REEL
- Large and balanced spool maximizes retrieval rate without needing backing line
- Lightweight composite construction for strength and durability
- Short and long reel stems customize to your fishing style whether you palm your reel or grip the rod handle
- Composite reel won’t feel cold in frigid temperatures
- 1:1 reel ratio
- 8” line retrieval per revolution
- Super-smooth drag system
- Line feeds straight off spool, eliminating line coiling and tackle spinning
- 1 ball-bearing reel

669901  STRAIGHT LINE 101 REEL
- Lightweight composite construction for strength and durability
- Composite construction won’t feel cold in frigid temperatures
- 1:1 reel ratio with super-smooth drag
- 5” line retrieval per revolution
- 1 ball-bearing reel
- Balanced spool
- Oversized reel handle for ultimate control
- Line feeds straight off spool, eliminating line coiling and tackle spinning

670701  STRAIGHT LINE 261 REEL
- Lightweight composite construction for strength and durability
- Composite construction won’t feel cold in frigid temperatures
- 2:6:1 reel ratio with super-smooth drag and instant anti-reverse
- 16” line retrieval per revolution
- Large and balanced spool to maximize retrieval rate
- Line feeds straight off spool, eliminating line coiling and tackle spinning
- 4 + 1 ball-bearing reel with ultra-fine free spooling
- Audible/silent bait alarm switch
- Long stem positions reel away from rod to accommodate heavy gloves
- Free spool to easily drop smallest jigs
ROD ACCESSORIES

4241 ROD TUBE
- Ultra-light rod case
- Fits rod and reel combos up to 38” long
- Allows reel to remain attached to rod
- Overall length measures 41”

1683 TITANIUM SPRING BOBBER
- Titanium wire construction for unmatched durability – Will not kink
- Allows for worry-free storage
- Fits onto any existing combo
- Adjustable design allows for varying weights of jigs
- High-visibility bead for easy bite recognition
- Extremely lightweight design won’t dampen rod tip action

1682 SPRING BOBBER 2-PACK WITH LINE THREADER
- Easily snaps into most existing rods’ tip-top guide
- Fits most panfish action rods
- Designed for use with light lines and smaller finesse baits
- Includes 2 bobbers and 1 line threader

7010 ROD SAFE
- Extremely strong blow-molded hard case
- Foam padding keeps combos in place
- Lightweight design allows for easy transport
- Holds up to 8 combos
When you’re constantly fishing at temperatures below zero, the one thing that becomes absolutely essential is insulation. This is as true for your bait as it is for you. As the leader in live bait management, Frabill features a complete line of insulated buckets, containers and aerators to keep bait healthy and accessible. To keep yourself protected from the elements, Frabill’s versatile ice gear gives exceptional warmth ergonomically designed for fishing activities.
**INSULATED BAIT BUCKET**
- 1.3 gallon
- Insulated liner
- Aerator clip-on bracket
- Hose hole in lid

**SIT-N-FISH**
- Comfortable seat snaps on tightly
- Beverage holders on inner bucket lid
- 6-gallon bucket with 10-quart insulated liner
- 1600 – packed 2/carton
- 160024 – packed 24/skid

**BAIT BOX WITH AERATOR**
- Aerated live bait cooler
- Durable insulation
- Keeps bait cool and aerated
- Lift-out net liner
- Lid latch prevents spilling of water/bait during travel
- Includes a 14331 aerator
- 8-quart capacity
**BAIT STATION 6 GAL. AERATION SYSTEM**
- Whisper quiet operation
- Micro-bubble diffuser
- Water-tight design
- Removable insulated liner
- Effectively aerates up to 6 gallons
- Removable aerator module
- Clamp-on lid design
- Hook for bait net
- 6-gallon bucket with 10-quart liner
- Power options: two D batteries, 12V power adapter for boat or truck use, or 120V adapter port for long-term use at home (120V adapter not included)

**PAIL PAH**
- Adds more storage capacity to your fishing bucket
- Straps onto any 5 to 6-gallon bucket

**ACCESSORY BUCKET LID**
- Easily snaps onto any 4.25, 5 or 6-gallon buckets
- Molded slots for a bait net, aerator, etc.
- Large bait door for easy bait access

**SIT-N-STOW**
- Adds storage capacity
- Converts any 5 to 6-gallon bucket into a comfortable seat

**STRATO SEAT**
- Converts any 5 to 6-gallon bucket into a comfortable seat
- Shape allows angler to remain seated while accessing bait

**AERATION AND LID COMBO PACK**
- Lid fits most 4.25, 5 or 6-gallon buckets
- Large bait door for easy bait access
- Includes 14202 aerator with hose and stone
- Molded slots for bait net, tools, etc.
- Aerates up to 6 gallons
- Runs on two D batteries
- Includes minnow dip net

**PAIL PAK**
- Adds more storage capacity to your fishing bucket
- Straps onto any 5 to 6-gallon bucket

**ACCESSORY BUCKET LID**
- Easily snaps onto any 4.25, 5 or 6-gallon buckets
- Molded slots for a bait net, aerator, etc.
- Large bait door for easy bait access
The Frabill I-3 is simply the most versatile ice suit in its class. Lined with industry leading 3M™ Thinsulate™ insulation and constructed with 100% sealed seams, it combines exceptional warmth with breathable waterproof and windproof protection. Add in ergonomically designed joints, knee and seat padding, strategically placed hand-warming pockets and reinforced knees – and you have the complete ice fishing solution for all extremes.
TACKLE BAG

**JACKET**
- Waterproof, windproof, breathable 300 denier nylon taslan shell, 100% seam-sealed
- 3M Thinsulate insulation, 150g
- Self-rescue feature set: ice pick holsters, ice safety internal label and drainage mesh
- Frabill self-rescue ice pick set
- Frabill ice fishing-specific ergonomic design
- Adjustable hood with sun visor
- Hand warmer pockets with tricot lining
- Multiple cargo pockets plus internal electronics pocket
- 3M Scotchlite reflective material

**BIBS**
- Waterproof, windproof, breathable 300 denier nylon taslan shell, 100% seam-sealed
- Full-length leg zippers
- 500 denier nylon reinforced knees
- 3M Thinsulate insulation, 150g
- Self-rescue feature set: ice pick holsters, ice safety internal label and drainage mesh
- Frabill ice fishing-specific ergonomic design
- Full elastic shoulder straps with cam lock buckles
- Internal knee and seat padding
- Hand warmer pockets with tricot lining
- Zipper vents for temperature regulation
- Multiple cargo pockets
- 3M Scotchlite reflective material
At most, you can hold two fishing rods at a time. That’s a good start. But if you want to really canvass the lake and increase your chances of landing a giant, you need to set up tip-ups. Frabill offers a full line of classic wood, stick and straight line tip-ups to ensure you don’t go home empty handed.
ROUND TIP-UPS

PRO THERMAL INSULATED TIP-UP
READY-TO-FISH COMBO PACK

- The original insulated tip-up
- Flag extends to 20"
- Fully enclosed to better protect insulation
- Includes line, depth finder, line markers and a 1684 Lil’ Shiner Tip-Up Light
- Shaft in shaft design allows re-greasing
- Covers 10” hole
- Fits in 5 to 6-gallon bucket
- Pre-lubed with Sub-Zero® low-temp lubricant
- Dual trip settings
- Removable spool shaft

PRO THERMAL INSULATED TIP-UP

- The original insulated tip-up
- Prevents hole from freezing up
- Easy to carry
- Shaft in shaft design allows re-greasing
- Covers 10” hole
- Fits in 5 to 6-gallon bucket
- Pre-lubed with Sub-Zero® low-temp lubricant
- Dual trip settings
- Removable spool shaft

PRO THERMAL INSULATED TIP-UP WITH TIP-UP LIGHT

- The original insulated tip-up
- Chartreuse for high visibility
- Includes a 1684 Lil’ Shiner Tip-Up Light
- Shaft in shaft design allows re-greasing
- Covers 10” hole
- Fits in 5 to 6-gallon bucket
- Pre-lubed with Sub-Zero® low-temp lubricant
- Dual trip settings
- Removable spool shaft
WOOD TIP-UPS

CLASSIC WOOD TIP-UP
- Traditional hardwood design
- 17.5" flag shaft
- Shaft in shaft design allows for re-greasing
- Pre-lubed with Sub-Zero® low-temp lubricant
- Dual trip settings
- Removable spool shaft
- Ultra-glide shaft for friction-free performance

WOOD STICK TIP-UP
- 32" high-visibility flag for deep snow conditions
- Extra-long spool shaft ideal for deep snow
- Folds for compact storage
- Line rolls easily off vertical spool
RAIL TIP-UPS AND ACCESSORIES

1693
ARCTIC FIRE TIP-UP (ORANGE)
- Extra durable molded poly base
- 17.5" flag shaft
- Tapered rails for easier removal from snow and ice
- High-visibility orange
- Molded-in 19" ruler
- Pre-lubricated with Sub-Zero® low-temp lubricant
- Removable spool shaft
- Dual trip settings

1680
ARCTIC FIRE TIP-UP (CHARTREUSE)
- Extra durable molded poly base
- 17.5" flag shaft
- Tapered rails for easier removal from snow and ice
- High-visibility chartreuse
- Molded-in 19" ruler
- Pre-lubricated with Sub-Zero® low-temp lubricant
- Removable spool shaft
- Dual trip settings

16672
ARCTIC FIRE TIP-UP (PINK)
- Extra durable molded poly base
- 17.5" flag shaft
- Tapered rails for easier removal from snow and ice
- High-visibility pink
- Molded-in 19" ruler
- Pre-lubricated with Sub-Zero® low-temp lubricant
- Removable spool shaft
- Dual trip settings
DAWG BONE TIP-UP
• Compact design for improved storage
• Fits over 10” hole
• Rugged, lightweight polymer base
• Shaft in shaft design allows for re-greasing
• Pre-lubricated with Sub-Zero® low-temp lubricant
• Dual trip settings
• Removable spool shaft

BLACKHAWK ASSAULT TIP-UP
• Extra durable molded base
• Bait clip feature
• Shaft in shaft design allows for re-greasing
• Pre-lubricated with Sub-Zero® low-temp lubricant
• Dual trip settings
• Removable spool shaft

LIL’ SHINER TIP-UP LIGHT
• Flashing LED light for superior visibility
• Small, lightweight design
• Two 1.5V alkaline batteries included (LR44)
• Environmentally friendly non-mercury switch

ARCTIC FIRE TIP-UP LIGHT
• Flashing LED light for superior visibility
• Multiple options for universal attachment
• Two position on/off switch – simple operation, no need to remove or activate batteries
• Two 1.5V alkaline batteries included (LR44)
• Environmentally friendly non-mercury switch

SUB-ZERO® LOW-TEMP LUBRICANT
• Multi-purpose low temperature lubricant
• Prevents freeze up to -60F
• Water-resistant
• Resists cold and moisture in critical parts of ice gear
